- _____ 1. I will keep hands, feet and objects to myself.
- _____ 2. I will listen and follow directions.
- _____ 3. I will speak only kind, respectful words. Hate speech will NOT be tolerated in any form, even when "joking." Nothing inappropriate. Nothing obscene. (NINO)
- _____ 4. I will raise my hand to ask/answer a question or to make a comment and speak only after I have been called upon. (Only one person speaks at a time unless the teacher directs otherwise.)
- _____ 5. I will use all classroom equipment and materials properly and carefully.
- _____ 6. I will practice LEAVE NO TRACE everyday. (I will leave all equipment, materials, workspaces and floors clean and in their proper places. In short, when I leave the room there will be no evidence that I was ever there.)
- _____ 7. I will NOT chew gum or eat food in the classroom (unless the teacher has given permission for a special lab or activity).

In our class we will practice six key study habits that help every student learn:

Sit –up

Listen and follow directions

Ask and answer questions like a scholar

Respect others

Track the speaker

Smile

When I ask for your attention by saying, "Show me SLARTS,"
I expect it from **every one, every time.**

I _____ agree to adhere to these rules and expectations and acknowledge that failure to do so will result in one or more of the following: low CAB score, losing class privileges, call home to parents, Salt Lake Arts Academy policies enforced (Concern slips, meeting with principal, etc.)
